Greetings from your Pastor and 1st Lady LaMetra Chatman. We are so excited that the Community family has extend a call to us. We believed that God has join us together and have a purpose for us in doing God's ministry.

These first two months you all have made us feel welcome and love. We thank God for each and everyone of you al.

I feel that we are getting to know each other and are building trust. My three words to the congregation is Transformation, Healing and Unity. 1 Corinthians 1:10 says: "Now I appeal to you, brothers and sisters, [a] by the name of our Lord

Jesus Christ, that all of you be in agreement and that there be no divisions among you, but that you be united in the same mind and the same purpose. So today I challenge us all to come together and define the purpose that God has for us with the same mind and in unity. I can't wait to see what God has instore for us next. Can You?

It is with great honor and proudness that I present to you the newly inductee scholar of the W.E.B. DuBois African American Honor Society of Uplift Mighty Preparatory. Our very own Community Christian Church member Muffin (Jakyra) Trishell. On February 26, 2019 myself and those picture were witnesses to this great milestone in the life of our family member. We are so proud of the work you are doing and we know you will continue to do. When you see her please let her know how proud you are of her give her a hug and encouragement to keep up the great work.

Home Coming 2019 is

around the corner

October 13, 2019. The theme for this year is **“Reclaiming Our Past To Secure Our Futrue”** What do you think about when you read this years theme. I am reminded of the symbol shown above.

Simple call Sankofa. Sankofa is an African word from the Akan tribe in Ghana. The literal translation of the word and the symbol is “it is not taboo to fetch what is at risk of be-

ing left behind.”(Go back and fetch it) You must know your history to understand your presence so you can have a future. Are we preparing for God’s future Community?
